I have today decided to disclose the located information to you in full.

Please find below information pursuant to your request above. The information relates to the betting shops named above.

It should be noted the data provided in response to this request is based on information extracted from a police system where the location given is as one of the above named betting shops. The call outs referenced however may not necessarily refer to incidents that have occurred inside said betting shops but outside or nearby where the location was simply used, as a point of reference. Additionally, where 'Ladbroke' is part of an address e.g Ladbroke Grove, efforts have been made to exclude this data but due to the volumes involved and the manner in which calls are recorded there may be some instances where this information has been included.
